

Our Story

Teresa and Alfonso

In 1970, when we came to the United States from our homeland of Italy with our six children, our dream was to someday own and operate our own restaurant. Following a decade of employment by our family members at various Italian restaurants, we decided to open our own business.

In May of 1980 our dream became a reality. We opened a restaurant of fine family dining, "Italian Style". Over the years of using top quality products, and generous portions at a very reasonable price, we earned ourselves a reputation among the finest of dining establishments.

We use only the finest ingredients when preparing our dinners; fresh tomatoes and imported olive oil from Italy. Everything offered on the menu is prepared fresh daily in our kitchen. We take pride in serving the highest quality of food to our customers. We welcome you to Teresa's and hope you enjoy your meal.

Buon Appetito!
